It's hard to believe we are about to finish the second quarter of 2025. The last five months have really flown by for me. Are things speeding along for you too? Late Spring is off to a tumultuous start too, with several big storms hitting close to home. I hope this newsletter finds you and family doing well through all the weather events.

The Foundation Board is getting ready for our Summer Board meeting and preparing for the upcoming events at IC Convention. Patricia Howerton and Tammy Akines continue to plan for another exciting time and are asking you to Come and Play at the Foundation Fund Fest on Tuesday evening. This is a great time to reconnect with your longtime ESA friends before the kickoff of the Convention activities. You won't want to miss it!

The ESA Foundation Membership meeting will be held on Thursday at 2PM at IC Convention. We are looking forward to sharing the latest Foundation news as well as presentations from recent scholarship awardees.

The Foundation is once again happy to co-sponsor the educational events at IC Convention. I'm very excited to see what Lynda, the International Council Board, and the ESA North Carolina members have in store for us in July. We are excited to join you and our North Carolina sisters and brothers in a Southern Serenade in Cary, NC.

In addition to the fun and games and informational meetings at IC Convention, the Board and I are looking forward to connecting and reconnecting with you. Please stop by the Foundation's table at convention, say hello, and share your thoughts and ideas with me or any of the other Directors.

I would like to close with a quote from Marian Wright Edelman, founder of the Children's Defense Fund, who said "Education is for improving the lives of others and for leaving your community and world better than you found it." Your support of the Foundation's programs helps to make this happen. Thank you for all you do.

Kim Mandrell

ESA Foundation Chairman

# ESA FOUNDATION FUND FEST!!!

Join us Tuesday evening July 15th to kick off IC Convention with the Fund Fest!

This is a special time to connect with everyone for the 1<sup>st</sup> time in a year and support the ESA Foundation. The evening will begin with a casual Mix and Mingle as we get re-connected. You will also have plenty of time to check out the silent and oral auction items. Make sure you get your chances for a share of cash with Early Bird Tickets, Heads or Tails, Lottery Board and Kard Kaper. The highlight of the evening will be the **Oral Auction**.

There is still time to sign up to volunteer or donate. Please see the forms at the end of the newsletter.

See you there!

## ESA FOUNDATION WORKSHOPS

The ESA Foundation provides learning opportunities in addition to funds. The Foundation has created a workshop series with interesting and informative presentations that can be viewed at any time. The topics currently available are:

- ☐ [Communicating Across Generations](#)
- ☐ [Endowments and Scholarships 101](#)
- ☐ [Generosity... The Key to Happiness](#)
- ☐ [ABCs of Parliamentary Procedure](#)

These are opportunities to increase knowledge on your time or resources for educational presentations.

The Foundation Board is always looking for new topics that can be developed into workshops. Please reach out to Anne Murry with any suggestions for new workshops that would be beneficial.

## The ESA Foundation continues to make a difference...

The ESA Foundation continues to provide vital support and resources for our grant recipients, helping them achieve their educational and professional goals. Whether it's enhancing resumes or advancing careers, these grants have made a lasting impact--- thanks to the generosity of our Life Active Members and the continued support of donors to our Grant Program. Many students would not be able to pursue their educations without the help of organizations like the Foundation. Others would not be able to enhance their careers without the grants.

The Grant program always needs supporters. Your donations help students and professionals achieve their dreams through the Career Enhancement grants. Every gift makes an impact. This can be a monthly or annual donation directed to the Grant program. It can be a donation from the State, Council, District, Chapter or becoming a Life Active member. The Life Active Members support a small percentage of interest each year to the Grants Program. We can all help build this program to be the best it can be and with respect to our Motto: Serving the World Community Because We Care.

Join us in making a difference. Contact me [Rosalie.griffith2@aol.com](mailto:Rosalie.griffith2@aol.com) or any other ESAF Board member.

## GRANT RECIPIENT

Congratulations to **Christy Pinney!!** We're excited to see all that she will accomplish! Christy recently accepted a position with the Oklahoma Forensic Center. One of the job requirements is obtaining a Certificate as a Nursing Assistant (CNA). Earning this certificate will not only help Christy retain her role in this field, but it will also elevate the standard of care and medical attention provided to each individual under her supervision

Rosalie Griffith, Grants Chair

# DID YOU KNOW?

- All contributions made directly to the **ESA Foundation** are tax deductible as “Gifts to Charity” due to our 501 c 3 charitable status under the Internal Revenue Code.
- The use of the **Turn Around Fund** allows the Foundation to maintain its status by having contributions to multiple charities. You write one check to the ESA Foundation for multiple charities
- **The ESA Foundation Endowments** program is a way to honor an individual or group who has made outstanding contributions to the ESA Foundation, to ESA International, to an ESA State Council, ESA Regional Council, or to the community
- **Planned giving** is a great way for you to benefit charitable causes while you still leave sufficient funds for your loved ones. Whether you donate through your will, a trust, investments, life insurance, or retirement plans, planned giving is an opportunity to provide for your loved ones, fulfill your charitable goals, plus save money on taxes

As you know, the ESA Foundation is using the Zeffy App for credit card charges to reduce our cost. We believe it has been easy to use and successful, so we will continue to use the program for our activities at the International Convention in July. We will be trying some additional features to accommodate the activities at the Fund Fest. So, come prepared to bid on some wonderful baskets and have some fun.

If you have any questions, please ask one of the board members.
