The St. Jude Memphis Marathon® Weekend Virtual Experience is a run or walk through a course of your choosing, based on your desired distance. You can run anywhere you like to run – in your neighborhood, on the trails, etc.

Here's how it works:

- Register as a committed St. Jude Hero and fundraise for the kids of St. Jude.
- Prepare to track your race using RTRT, our race day runner tracking app.
- Use the Virtual Experience toolkit found on stjude.org/marathon to prepare for your race day.
- Run your desired distance virtually with us. We'll let you know when it's time to run your race.
- Celebrate your accomplishment!
